

Internship Program

DAIRY PRODUCTS, INC.

Kick-Off Your Future Career

Grassland offers students the opportunity to intern in a variety of fields related to dairy manufacturing. Students will receive a valuable experience working in a world-leading manufacturing facility.

Students can experience hands-on learning, make professional career connections and generate a potential full-time position. We employ professionals in a wide range of career options: Accounting, Dairy Science, Food Science, Human Resources, Industrial Mechanical, Information Technology, Logistics, Manufacturing Engineering, Production Management, Quality Assurance, Risk Management, Safety, Sales and the list goes on!

Grassland offers internships year-round. Our typical application deadline is March 1st for summer internships. Most internships are scheduled for a duration of 3 months.

This is a paid experience. Students are responsible for other expenses including mileage, housing, etc.

Apply for the Grassland internship program today!
